4. Old Business:

a. **BCCC Protocol**

5. New Business:

a. **527 CMR 1.00: 18**

- This proposed amendment removes requirements for fire department access roads to one- and two-family dwellings and includes references to the building code for clarity.
- Uploaded on the flip drive on 6.2.16

6. New Business:

a. **527 CMR 1.00: 1.12.8.40.1.1 and 66.21.7**

- These proposed amendments are in regards to tanks and tank dismantling yards. The BCCC previously voted to accept a similar proposal; however, it was determined that it was the wrong draft. This draft removes a referenced regulation, 502 CMR 3.00, which has been approved for rescission, and contains necessary language previously included in said defunct standard. This proposal is necessary as a result of statutory changes made to MGL c. 21O, s. 1
- Uploaded on the flip drive on 6.2.16
- Submitted for information only.

7. Any additional matters not reasonably anticipated by the co-chairs two (2) business days in advance of meeting.

8. Adjourn:
